- Junior web developer with experience building complete, responsive websites and web apps, from concept and design to programming and SEO.

- Experience developing end-to-end across a range of programming stacks, including LAMP/CodeIgniter, Ruby on Rails, and MEAN Stack; Familiar with Illustrator, Photoshop, and Microsoft Office.

- Understanding and experience working with Object Oriented Programming, MVC Frameworks, RESTful architecture, and Wordpress as a CMS.

- Passion for user experience with a strong understanding of core marketing principles.

- Proven interpersonal and relationship management skills through previous experience in marketing, account management, and sales.

TECHNICAL TOOLBOX

- **Front-End Development:** HTML, CSS/SASS, jQuery

- **Languages:** Javascript, Ruby, PHP

- **Frameworks:** Ruby on Rails, CodeIgniter, Bootstrap, AngularJS, Foundation

- **Databases:** MySQL, SQLite, MongoDB

- **Version Control:** Git, Github

EDUCATION AND TRAINING

Coding Dojo | *Bellevue*, WA   *February – May 2015*
Web Development Student

Completed 12-week intensive web development bootcamp beginning February 2015 working 60+ hours per week. Developed several web apps across three full stacks both independently and within teams, many including robust databases. Stacks included were LAMP, MEAN, and Ruby on Rails.

Projects:
- **Loopr** – Musical web app that allows users to select from a variety of sounds and samples to create a custom quantized and synchronized soundscape, simulating that of a Novation Launchpad. Developed using *HTML5*, *CSS3*, and *JavaScript*.

- **The Wall (PHP)** – Developed fully functional social media message board functioning similarly to Facebook's Wall. Users can log in, register, and leave messages on people's walls, as well as comment on previously left messages. Developed using *PHP* on *CodeIgniter, MySQL Database, HTML, CSS,* and *JavaScript*.

Seattle University | *Seattle, WA*   *June 2012*
Bachelor of Arts in Business Administration

- Double Major in Marketing and Management
- Minor in Entrepreneurship
- Former member and captain of Seattle U Division 1 Baseball team
